It has been almost two months since we lost some one we love in the case it was (**my papaw**).Just because it has been almost two months **doesnt** mean its getting **easier**. I am trying to stay strong for my family but mostly trying to stay strong for my papaw.Well my mom to she is still takeing it pretty hard.**But do you blame her?** My papaw was a very loved man. He would take his shirt of his back if he thought you needed it. He loved god very much everytime i would go and see him he would tell me about how church was that week.And when he passed he got his wish all of his kids and grandkids in church and He got it.To bad he wasnt here to see it but know her was looking down from heaven watching everyone of us in that chruch and i bet he was really happy.Please keep this family in your prayers we really need it right now.Thank you so much Renee Sparks♥.PS.I LOVE YOU PAPAW(ILL SEE YOU AGAIN ONE DAY)

Tina

we miss you..

Memories

all the gray you turned into colors...

I Remember When Bob And I Meet, He Was My Prince Charming, It Was Love At First Sight, He Is Such A Wonderful Person So Sweet, Kind, Well Just Wonderful .Bob Told Me When We Got Married I Was Either In Love Or Just Plain Crazy Because He Had 4 sons And 1 Daughter And I was Just 18 At The Time, But He Knew It Was Love Because 2 Years Later We Had A Son Together, After About 15 years He Said Well I Guess It Really Was Love Because I Never Thought Anyone Could Stand Each Other That Long. But He Was Kidding We Were So Much In Love Till The Day He Passed Away, And I Still Love Him Lots And Lots Still And Always Will, He Is Still My Mr Wonderful And I Am Still His Lady, That Is What He Always Called Me. I

Miss Him So Very Much. I Just Want The World To Know What A Wonderful Person It Has Lost, But Heaven Gained Another Sweet Angel. I Just Wished He Could Have Stayed Longer With Me, But I Know Someday We Will Walk The Streets Of Heaven And Worship JESUS Together And We Will Never Again Have To Part.

All of My Memories about uncle Bob are great ones !! I know that him and dad are together again and are happy !!!!!

The image features two roses, one smaller and one larger, positioned in the upper right quadrant. They are set against a textured, olive-green background that resembles aged paper or parchment. The roses are rendered in a soft, slightly faded style, blending into the background.
